

I will Bless you, and You Will Be a Blessing: Resources for Blessing Same-Gender Relationships

is published in “**The Blue Book**” and can be found as a downloadable pdf file at: <http://generalconvention.org/gc/prepare>

The Blue Book is 759 pages long and, even in a printed format, is unwieldy and difficult to navigate. The section of the report of the Standing Commission on Liturgy and Music that deals with the issues of blessing same gender relationships is itself over 100 pages long. There are tables of contents for the various sections but those tables of content do not offer page numbers. This annotated table of contents is offered to help you find your way around the document and to demonstrate the depth and scope of the work that has gone into this report.
